As a life-long outdoorsman, I have always had a special connection with the natural world around me. I attribute that connection to the values instilled in me during my formative years, as well as being fortunate enough to live in a place with such abundant and beautiful natural resources, as I'm sure is the case with so many of you. Over time, I developed a fierce passion for hunting, fishing, and all things outdoors, and that is why, as Commissioner of the Department of Natural Resources, I feel incredibly blessed to be in such a position that allows me to connect with so many like-minded individuals, and to play a role in passing these traditions down to next generation of sportsmen and women.

While hunting and fishing are great for sport, they also provide an invaluable resource to so many people looking for a consistent, clean, and ethical way to put food on the table for their families. Whether it be white-tailed deer, turkey, or trout, there are countless opportunities to provide a nutritious and delicious diet. Not only will the fruits of your hunt be a tasty meal, but they also guarantee that you know exactly what you're getting and exactly where it came from. Sustenance provided by the ethical and sustainable harvesting of our natural resources plays a vital role in maintaining the health and balance of the ecosystem around us.

Teaching the value of the ability to provide for one's self to one's children is priceless. These are some of the values and principles I was taught as a young boy and I wish the same for every child in this great state. That is why DNR works tirelessly to spread the message of the importance of conservation and sustainable harvesting. I want everyone to experience the thrill of harvesting a deer or hooking a magnificent bass, with the principles of conservation in mind, so that these past times we hold so dear will be available for future generations.

Through the sale of hunting and fishing licenses and your purchase of sporting goods, you are helping further conservation goals for Georgia, and investing dollars to enhance our efforts to provide the best hunting and fishing experience possible. When you buy a license in Georgia, you are directly contributing to the stocking of streams and lakes, the renovations of wildlife management areas, educational facilities, hatcheries, and ranges. 100% of your license dollars fund wildlife conservation and secure federal funding for the state of Georgia, and we thank you. I am beyond proud to be a life-long Georgian and ardent member of this tight-knit community. You, the sportsmen and women of Georgia, are what makes our state the unique and special place that it is, and I look forward to seeing you all out in the field!

Mark Williams
Commissioner, Georgia Department of Natural Resources

### How it Works

**YOUR DOLLARS MAKE A DIFFERENCE!**

The Wildlife Restoration Program creates a direct link among hunters, industries and resources needed to expand and enhance opportunities for hunting and fishing.

2. Manufacturers pay federal excise tax on guns & ammunition.

3. Revenue from these excise taxes is distributed to state wildlife agencies.

4. State wildlife agencies use these funds to purchase land for wildlife habitat & to manage wildlife populations.

5. In turn, millions of acres of important habitat have been set aside to help ensure future wildlife abundance.

**WHERE TO BUY YOUR LICENSE**

**Online:** GoOutdoorsGeorgia.com

**Phone:** 1-800-366-2661

**In Person:** License vendors are statewide. Check GoHuntGeorgia.com for a complete list.

**Federal Duck Stamp:** GoOutdoorsGeorgia.com, usps.com, 1-800-STAMP24, or a local US Post Office

**TOP 5 REASONS TO BUY A HUNTING AND FISHING LICENSE**

1. 100% of your purchase is going to fund wildlife conservation in Georgia.
2. Your license purchase is an investment bringing $50 back to Georgia wildlife in federal dollars.
3. You’ll join a group of people that have funded conservation for the past 100 years.
4. It’s a great value - A $15 annual hunting or fishing license allows you to hunt or fish for 4 cents a day.
5. It lets you do more than just hunt or fish - every hunting or fishing license also gives you access to all of Georgia’s Wildlife Management Areas (WMA), Public Fishing Areas (PFAs) and WRD shooting ranges.
HUNTER EDUCATION

All hunters born on or after Jan. 1, 1961 must successfully complete a hunter education course before purchasing a hunting license. All hunter education courses certified or mandated by any state wildlife agency or Canadian province are accepted. Residents may sign up for online or classroom courses at GoHuntGeorgia.com or by calling 1-800-366-2661.

Hunting education is not required to purchase an Apprentice Hunting License or short-term license. Persons purchasing a Lifetime License must have hunting education before buying, unless exempt by age or supervision. Hunter education is not required to hunt on one's own land or land of a parent or guardian (blood or dependent relationship) residing in the same household, or to hunt pen raised game birds on licensed shooting preserves that provide specified hunter education instruction (see Shooting Preserve License page 12).

To obtain a replacement hunter education card visit GoOutdoorsGeorgia.com or call 1-800-366-2661 Monday–Friday from 8 a.m. to 6 p.m. and Saturday and Sunday 9 a.m. to 5 p.m.

AGE REQUIREMENTS

HUNTERS UNDER AGE 16 are not required to complete a hunter education course. A child under age 16 must be under “direct supervision” or “directly supervised,” which means uninterrupted, unaided visual contact and auditory communication with the child by a licensed adult. It is unlawful for an adult to permit their child or ward (under age 16) to hunt without adult supervision.

Exception: Hunters 12–15 years old may hunt unsupervised after successfully completing a hunter education course. Special restrictions may apply on WMAs (see pages 48–69) and Federal Areas (see pages 70–72).

HUNTERS AGE 16–25 are required to have a hunter education card when purchasing a season hunting license and must be in possession while hunting.

HUNTERS OVER AGE 25 and born before Jan. 1, 1961 must successfully complete a hunter education course but are not required to present their Hunter Education Card when buying a season hunting license or possess it while hunting.

APPRENTICE HUNTER is any person who has not successfully completed a hunter education course or does not possess a hunter education certificate. Apprentice hunters may purchase a short-term Apprentice Hunting License to hunt and fish in Georgia.

LANDS PASS

Any person age 16 and older, entering any WMA or PFA must have a license valid for hunting or fishing or a Lands Pass (exclusions apply, visit georgiawildlife.com/LandAccess). WMAs and PFA licenses that require a license to hunt or fish or a Lands Pass are marked with a sign at the site or area entrance. See page 40 for more information.

LICENSE REQUIREMENTS

Reliable identification and a Social Security Number (SSN) are required to purchase a license (OCGA § 19-11-9.1). Game Wardens may require positive identification when checking licenses. All required hunting licenses and stamps must be in possession while hunting or while assisting another hunter. It is unlawful to obtain, possess, or use multiple licenses for the purpose of circumventing season bag limits.

RESIDENCY

RESIDENT means any person who has been domiciled within the State of Georgia (declared Georgia the only state of legal residence) for a period of at least three months. A valid Georgia driver’s license or Georgia ID is required to show residency. Nonresident full time Georgia college students with a valid college ID living in Georgia, and active duty military personnel with a valid U.S. DOD Common Access Card with Uniformed Services affiliation and the dependents of such military personnel may obtain resident hunting and fishing licenses other than resident lifetime, disability and honorary licenses. Nonresident landowners must purchase a nonresident license.

RESIDENT HUNTERS UNDER AGE 16 must possess a Harvest Record to hunt deer and turkey. They are not required to possess any of the following: Hunting, Big Game or Georgia Migratory Bird Stamp

FREE LICENSES

SENIOR CITIZENS: Georgia residents born on or before June 30, 1952 may obtain a Lifetime Sportsman’s License free of charge. An optional Lifetime Sportsman’s Plastic Card may be purchased for $10.

RETURNING GEORGIA VETERANS (ONE TIME ONLY): Georgia resident military veterans who were on active duty for 90 or more consecutive days and were honorably discharged on or after July 1, 2005 may obtain one annual Honorary License free of charge. Such veterans may obtain this license by providing a copy of their DD Form 214 and a completed DNR application.

TYPES OF LICENSES

RESIDENT HUNTING, COMBO OR SPORTSMAN’S LICENSE is required for all resident hunters 16 years of age or older, except when hunting or fishing on one’s own land or land owned by immediate family (blood or dependent relationship) residing in the same household.

NONRESIDENT HUNTING, COMBO OR SPORTSMAN’S LICENSE is required for all nonresident hunters, except nonresident small game hunters that are under 16. All nonresident big game hunters must obtain a harvest record (deer and turkey) and those 16 and older must possess a big game license (included in Sportsman’s License).

HARVEST RECORD (DEER & TURKEY) is required for any person who hunts deer or turkey, regardless of age. The Harvest Record is only valid for a single year and may be obtained on or after March 1 for the upcoming season. Harvest must be recorded before moving the animal from the site of the kill, and reported online or by telephone within 72 hours. See pages 22 and 32 regarding recording (checking) your deer or turkey.

ALLIGATOR HARVEST PERMIT is required to harvest an alligator. All persons accompanying or assisting an alligator permit holder will need a valid hunting license. A free permit is available for Lifetime Sportsman’s License, Disability Sportman’s License, Disability Hunting License, Honorary License, and Resident Optional Youth Sportman’s License holders selected for an Alligator Quota hunt.

BIG GAME LICENSE is required, in addition to a valid Hunting License, for hunting deer, turkey, or bear. The Big Game License is not required by resident hunters hunting one’s own land or land owned by immediate family (blood or dependent relationship) residing in the same household, resident or nonresident persons under the age of 16, or anyone who possesses an Honorary, Sportman’s, or Lifetime Sportsman’s License. A Harvest Record is required to hunt deer or turkey.

GEORGIA MIGRATORY BIRD STAMP is required for any person who hunts migratory birds (ducks, geese, woodcock, snipe, coots, rails, or gallinules) and is required by age to have a hunting license to hunt. A free Georgia Migratory Bird Stamp is available for all resident Landowners hunting their own land and hunters with a valid Sportsman’s License, Youth Sportsman’s License, Disability License, Hunting License, Honorary License or Lifetime License’s license holders.

FEDERAL DUCK STAMP is required for all waterfowl hunters 16 years of age or older including resident landowners and their immediate family. The stamp is valid from July 1–June 30 and must be signed in ink across the face. The Federal Migratory Bird Hunting and Conservation Stamp is available at US Post Offices, 1-800-STAMP24, www.gooutdoorsgeorgia.com, or usps.com.

SPORTSMAN’S LICENSE includes Hunting, Big Game, Fishing and Trout Licenses. Duck hunters must obtain a Federal Duck Stamp. Migratory Bird hunters must obtain a Free Georgia Migratory Bird Stamp. Saltwater anglers must obtain a Free SIP license. Deer and turkey hunters must obtain a Free Harvest Record.

RESIDENT OPTIONAL YOUTH SPORTSMAN’S LICENSE: this optional multi-year license can be purchased by resident youth through age 15 and does not expire until the sportsman’s 17th birthday. The license includes privileges for all hunting and fishing including big game and trout. A Harvest Record, Migratory Bird Stamp, Quota Alligator Harvest Permit if selected, and SIP are free but must be obtained each year. Hunter education is required at age 16.

NONRESIDENT YOUTH SPORTSMAN’S LICENSE: this annual license can be purchased by nonresident youth through age 15. The license includes privileges for all hunting and fishing including big game and trout. A harvest record, Migratory Bird Stamp, Federal Duck Stamp, Free SIP permit, and a Free Deer and Turkey Harvest Record. These must be obtained annually.

LIFETIME SPORTSMAN’S LICENSES: cover all state paid hunting and fishing privileges (free required state licenses and the Federal Duck stamp are not included) and are valid for the life of the license holder. These privileges specifically include Hunting, Big Game, Fishing, and Trout Licenses. Lifetime License applications may be obtained at GoHuntGeorgia.com, by calling 1-800-366-2661, or by visiting any WRD office. For identification and proof of residency requirements see information on page 10.

EXCLUDED FROM LIFETIME SPORTSMAN’S LICENSE: Free Georgia Migratory Bird Stamp, Federal Duck Stamp, Free SIP, and a Free Deer and Turkey Harvest Record. These must be obtained annually.

RESIDENT / NONRESIDENT SHOOTING PRESERVE LICENSE: A 2-year ($12) or lifetime ($75) shooting preserve license is available to residents and nonresidents. This license covers hunting pen raised game birds and fishing in any private or state waters located within the boundaries of licensed private or commercial shooting preserves. Hunter safety requirements for hunting pen raised game birds on properly licensed shooting preserves may be met by hunter education instruction that, at minimum, demonstrates techniques for proper firearm handling, unloading, and safety. Appropriate licenses, hunter safety certification requirements, and state seasons and regulations apply when hunting wild game birds or other wildlife on shooting preserves.

EXCEPTION: it shall be unlawful to hunt bobwhite quail between October 1 and March 31 of the following year on licensed shooting preserves.

HUNTING INFORMATION

HUNTING “Hunting” means pursuing, shooting, killing, taking, or capturing wildlife or feral hogs. This term also includes acts such as placing, setting, drawing, or using any device used to take wildlife or feral hogs, whether any such act results in taking or not, and includes every act of assistance to any person in taking or attempting to take such wildlife or feral hogs.

LOADED WEAPON A firearm is considered loaded if a shell is in the chamber or magazine, a percussion cap is on the nipple, or powder is present on the frizzen pan. A crossbow is considered loaded if it is cocked.

ARCHERY EQUIPMENT Crossbows, longbows, recurve bows, and compound bows are allowed for hunting any game or feral hog. Arrows for hunting deer, bear or feral hog must be broadhead type. Draw weight, let-off, arrow-length, and sights are not restricted.

PRIMITIVE WEAPONS Archery equipment, air bows, air rifles and any muzzleloading firearm are legal during primitive weapons season. Scopes are legal.

WEAPON RESTRICTIONS

DEER & BEAR

• Modern Rifles and Handguns: Centerfire only, .22-cal. or larger with expanding bullets. There is no restriction on magazine capacity for rifles.
• Shotguns: 20-gauge or larger loaded with slugs or buckshot.
• Muzzleloaders: .44-cal. or larger, or muzzleloading shotguns 20 gauge or larger. Scopes are legal.
• Air Guns: Any air rifle of at least .30 caliber or air bow utilizing unignited compressed gas or air is legal during primitive weapons and firearms seasons.

TURKEY

Shotguns with No. 2 or smaller shot, any muzzleloading firearm, any air rifle of at least .30 caliber or air bow utilizing unignited compressed gas or air. Hunters are not required to plug shotguns for turkey.

SMALL GAME & FURBEARER

• Rifles and Handguns: Any .22-cal. or smaller rimfire, air rifle, or any muzzleloading firearm. For fox & bobcat, centerfire firearms of .17 caliber and larger may be used. There is no restriction on magazine capacity for rifles.

HUNTING INFORMATION

- **Shotguns:** Any having shot shell size 3.5 inches or smaller in length with No. 2 or smaller shot.
- **Shotguns (Waterfowl):** Any 10-gauge or smaller loaded with federally approved nontoxic shot of size “F” or smaller. Lead shot may not be in possession while hunting waterfowl.

**SPECIAL FIREARM RESTRICTIONS**

- **Plugged Shotguns:** For hunting migratory game birds, shotguns shall be limited to a capacity of not more than 3 shells in the magazine and chamber combined. If a plug is necessary to so limit the capacity, the plug shall be of 1 piece and incapable of being removed from the loading end of the magazine.
- ** Suppressors:** Lawfully possessed suppressors may be used for hunting on private property and public lands, unless otherwise specified. Permission of the landowner is required.

**TRAINING DOGS ON PRIVATE LAND**

Persons training dogs for hunting must have a valid Hunting License unless they are on their own land or land of an immediate relative. There is no closed season for training dogs on private lands. It is unlawful to possess firearms (except handguns with blank or shot cartridges), axes, climbers, or other equipment for taking game while training hunting dogs, except that shotguns with No. 6 or smaller shot may be used while training pointing, flushing, and retrieving dogs using pen raised quail and pigeons provided that the dog trainer maintains proof of purchase of pen-raised quail. It is unlawful to run deer with dogs, except during open seasons for hunting deer with dogs, or to take game by any means while training hunting dogs, except during open seasons for such game. For specific rules & regulations for dog training on WMAs & Chattahoochee National Forest see page 73.

**HUNTER ORANGE REQUIREMENTS**

A hunter, and anyone accompanying the hunter, must wear as an outer garment at least 500 square inches of daylight fluorescent orange above the waist (which may include a head covering) when hunting:

- deer during the primitive weapons or firearms deer season
- bear during the primitive weapons or firearms bear seasons
- feral hogs during firearms deer season

Hunter orange is required during primitive weapons and firearms hunts for deer, bear, and special opportunity coyote and feral hogs hunts on WMAs and federal lands, see pages 48-72. Hunter orange is **not** required on WMA or Corps of Engineers tracts designated archery-only, unless otherwise indicated. Hunter orange is required on WMA small games that are concurrent with deer or bear hunts (see more information on page 44/WMA Small Game).

**LEGAL HOURS**

Legal hours for hunting are 30 minutes before sunrise until 30 minutes after sunset, except alligators, raccoons, opossums, foxes, coyotes, bobcats and feral hogs which may be hunted at night. Any light used to hunt raccoons, opossums, foxes, bobcats must be carried on the body of the hunter, affixed to a helmet or hat worn by the hunter, or be part of a belt system worn by the hunter. There is no voltage restriction on such lights. Sunrise and sunset times are available on the Outdoors GA App and can also be found here: [http://aa.usno.navy.mil/](http://aa.usno.navy.mil/). Legal hours for migratory bird hunting conform to federal regulations (see page 36).

**CLOSED AREAS**

Hunting for all species of wildlife is prohibited on the portion of Morgan Falls Lake (Bull Sluice) lying within Fulton Co. and in Willeo Creek. Counties, or parts of counties, not specifically open by law or regulation are closed to hunting. Counties open for hunting do not include lands within WMAs, PFAs, State Parks, or other State/Federal lands, except when those lands are specifically open.

UNLAWFUL ACTIVITIES

- Hunting without landowners’ permission, including power line, gas line, railroad and other rights-of-way. Written permission must be obtained if land is so posted.
- Hunting while under the influence of drugs or alcohol.
- Holding, possessing, releasing, or importing wildlife without a permit from the DNR.
- Concealing the taking or possession of wildlife (or parts) which the person in possession reasonably should have known was obtained illegally.
- Killing or crippling game without reasonable efforts to retrieve.
- Hunt, shoot, kill, or wound any farmed deer (e.g. elk, red deer, fallow deer, sika deer, or axis deer) or exotic wild animal (e.g. farmed deer, mouflon sheep, Barbary sheep [aoudad], antelope, etc.) held under a wild animal license for enjoyment, gain, amusement, or sport.
- Hunting or shooting from or across a public road.
- Hunting from a vehicle, plane, or boat under power.
- Selling or purchasing any game species or parts thereof, except antlers, hides, and tails of legally taken deer, tails of legally taken squirrels, hides of legally trapped furbearers, and legally taken alligator products.
- Use of a computer or any other device to remotely discharge a firearm for the purpose of hunting.
- Use of drugs, poisons, chemicals, smoke, gas, explosives, or electronically-amplified sounds to hunt any game species.
- Use of any pitfall, deadfall, snare, catch, net, live decoy, or baited hook to take game species.
- Use of electronic communications equipment to aid in the pursuit of game.
- Disturbing wildlife dens, holes, or homes, or driving wildlife, from their dens, holes, or homes.
- Discharging a firearm within 50 yards of a public road.
- Blinding wildlife with lights.

ARCHERY

- Archery Only Counties: Clayton, Cobb, DeKalb and Fulton (north of GA Hwy 92) Counties in accordance with statewide bag limits and other regulations.

- Extended Archery Season: Bibb, Chatham, Clarke, Clayton, Cobb, DeKalb, Forsyth, Fulton, Gwinnett, Henry and Rockdale Counties only; in accordance with statewide bag limits and other regulations.

- Chattahoochee-Oconee NF: During firearms deer season, archers must follow firears either-sex dates on the National Forest. All Chattahoochee National Forest land east of I-75 is closed to antlerless deer hunting, antlered bucks only.

Archery hunting is allowed during primitive weapon and firearm deer seasons. Deer of either sex may be taken, except as otherwise specified on WMAs. Hunting on the Chattahoochee-Oconee National Forest is buck-only, except where otherwise specified, see page 25 for details. Archery hunters must wear at least 500 square inches of daylight fluorescent orange during primitive weapons and firearms deer seasons, except in archery-only counties or WMAs.

Archers may not possess any firearms while hunting during archery deer season, unless the person possesses a valid Weapons Carry License in this state (pursuant to OCGA §§ 16-11-126(f) or 16-11-129), subject to limitations (OCGA §§ 16-11-126 and 16-11-127).

PRIMITIVE WEAPONS

Statewide, excluding archery-only counties. Scopes are legal. Air rifles of .30 cal or larger and air bows are legal. During the statewide primitive weapons deer season and WMA primitive weapons hunts, youth under 16 years of age may hunt deer with any legal deer firearm.

Primitive weapons hunters may not possess any centerfire or rimfire firearm while hunting during the primitive weapons season, unless the person possesses a valid Weapons Carry License in this state (pursuant to OCGA §§ 16-11-126(f) or 16-11-129), subject to the limitations (OCGA §§ 16-11-126 and 16-11-127).

SEASON LIMIT

10 antlerless deer and 2 antlered deer. One of the two antlered deer must have a minimum of 4 points, 1 inch or longer, on one side of the antlers. (Special county antler restrictions noted in next section and on page 34)

COUNTY-WIDE ANTLER RESTRICTIONS

Dooly & Macon: antlered bucks must have a minimum outside antler spread of 15 in.

Hancock, Harris, Meriwether, Montgomery Randolph, Talbot & Troup: antlered bucks must have a minimum of 4 points, 1 in. or longer, on one side of the antlers.

CHECKING YOUR DEER

All deer hunters are required to have a Harvest Record for the current season. Additionally, all harvest must be reported through Georgia Game Check within 72 hours or before leaving the deer with a processor. Requirements differ for check-in hunts on WMAs and State Parks (see pg. 40)

CELL PHONE HANDY?

If you have a cell phone, enter the harvest date and county on the Harvest Record through the GA Outdoors App, online at GoOutdoorsGeorgia.com or by calling 1-800-366-2661 before moving the deer from the site of the kill.

You can now report your harvest through the GA Outdoors App when your phone has no service. Enter your harvest date and county on the Harvest Record through the App. When you get to a location with service, access the App and sync to receive your confirmation number.
NO PHONE? NO PROBLEM!

- Log It—Enter the harvest date and county on your paper Harvest Record before moving the deer from the site of the kill.
- Report It—Within 72 hours of the kill or before taking your deer to the processor, report your harvest by going online to gooutdoorsgeorgia.com or calling 1-800-241-4113.
- Record It—Copy the confirmation number received onto your paper Harvest Record.

ANTLERS
Antlerless deer are those having no visible antlers above the hairline (including “button bucks”) and may only be taken during either-sex or antlerless seasons or hunts. During “buck-only” hunts or seasons, a deer must have antlers visible above the hairline to be legal for harvest.

HEAD OF DEER
It is unlawful to remove the head of a deer until the deer is processed or surrendered to a storage facility for storage or processing.

TRANSPORTING DEER HARVESTED BY ANOTHER HUNTER
Persons transporting deer harvested by another hunter must possess, in writing, the complete name, address, telephone and hunting license number of the person who harvested the deer, and the Game Check confirmation number.

COOLER LOCKERS
Whole or field-dressed deer received by a cold-storage or meat processing facility must be marked with the hunter’s name, date, county of harvest and sex of deer. A list of processors is available at GoHuntGeorgia.com.

LAKES, STREAMS AND PONDS
It is unlawful to take a deer by any means while it is in a lake, stream, or pond.

RIGHTS-OF-WAY/TRANSMISSION TOWERS
Hunting from a stand or platform attached to a transmission tower is trespassing and is prohibited. Written permission must be obtained from the landowner to hunt on power line, gas line, railroad, or other rights-of-way.

HUNTING OUT OF STATE?
If you harvest a white-tailed deer, mule deer, elk, moose or caribou in a state having a documented case of Chronic Wasting Disease (CWD), you may bring back only the following carcass parts:
1 – boned-out meat;
2 – processed cuts of meat;
3 – portions of meat with no part of the spinal column or head attached;
4 – hides with no heads attached;
5 – clean skull plates with antlers attached (not the entire skull);
6 – clean antlers;
7 – finished taxidermy mounts; and
8 – clean upper canine teeth (aka buglers, ivories, whistlers).

To protect Georgia’s deer herd, the importation of whole carcasses or parts not listed above is prohibited from any CWD-positive state or Canadian province. For an up-to-date list of positive states and other information about CWD, please visit www.cwd-info.org.

DEER URINE AND CHRONIC WASTING DISEASE
While Chronic Wasting Disease (CWD) prions are known to be present in urine of infected deer, there has been no documented spread of the disease through the use of natural urine deer attractants. However, to minimize the potential risk through use of these products hunters are strongly encouraged to use only those natural urine products bearing the Archery Trade Association (ATA) Deer Protection Program Checkmark, or use synthetic urine products.

#### DOG-DEER HUNTING WITH DOGS

Deer may be hunted with dogs only during authorized seasons and areas.

Hunting deer with dogs is allowed on leased properties of at least 1,000 contiguous acres or privately-owned properties of at least 250 acres that are permitted by DNR. Permits are specific to only one piece of property and only one permit application per property should be submitted. Applications for a permit must be received at least 30 days prior to hunting deer with dogs. Applicants wishing to hunt on opening day must submit an application by September 20, 2019. Applications are available at gadnrle.org/special-permits. The permit number must be clearly marked on all dogs and all vehicles being used during the hunt.

BAITING
Bait: corn, wheat, other grains, salts, apples, and other feed that has been placed, exposed, deposited, distributed, or scattered so as to constitute a lure, attraction, or enticement to game animals or game birds.

IT IS UNLAWFUL FOR ANY PERSON TO:
• Hunt any game animal (except as noted below) or game bird upon, over, around, or near bait.
• Hunt any area for a period of 10 days following complete removal of all bait.
• Hunt any game or feral hog over bait or place bait on any State or Federal managed lands.
• Place bait in a manner that will cause hunting on an adjacent property to be prohibited.

Taking of any big game, other than deer, over bait is subject to a fine of $5,000 and/or imprisonment up to 12 months.

EXCEPTIONS FOR DEER AND FERAL HOGS:
• Deer and feral hogs may be hunted over or near any bait on private lands in all counties, provided the hunter has written permission from the landowner. It is unlawful to hunt deer over bait or place bait on any state or federally managed lands.
• Placing bait for deer or hogs may make a property (or portion of a property) un-huntable for other species, such as turkeys. Hunters are urged to communicate with others who may hunt other species on or near an area where baiting for deer or hogs is being considered.

  • After hours, call 1-800-241-4113, or 229-426-5267 on the following business day to report harvested bears and arrange tagging.

FERAL HOG

PRIVATE LANDS
Limit: No limit, no closed season.

Feral hogs may be hunted at night on private land, night hunting is prohibited on public land. Hunting over bait is allowed. No hunting from a vehicle under power.

LICENSE REQUIREMENTS:

Residents: All residents 16 years of age or older must possess a hunting license to hunt or trap feral hogs except when hunting on land owned by them or their immediate family (blood or dependent relationship) residing in the same household.

Nonresidents: Must possess a nonresident hunting license.

Exemptions to many of these restrictions for agricultural producers are available by permit. Contact your local Game Management Office for details.

LEGAL WEAPONS ON PRIVATE LAND
Any legal weapon. Additional weapon restrictions apply on WMAs and Federal Lands.

WMAS AND NATIONAL FOREST LANDS
Limit: No limit.

Hogs may be taken with primitive weapons during primitive weapons deer season, archery equipment during archery deer season, with deer weapons during firearms deer season, with turkey weapons during turkey season and with small game weapons during small game season. No night hunting. No hunting over bait.
Hunting license requirements must be met.
Hunter orange is required during firearms and primitive weapons deer seasons. See page 73 for dog training seasons and rules.

TRANSPORTING & RELEASE
It is unlawful to transport a live feral hog without a permit from the Georgia Department of Agriculture (GDA). Feral hogs captured alive by a person without a valid GDA permit must be killed prior to transport. Release of any live feral hogs into an area that is not fenced in accordance with GDA regulations is prohibited. Any persons convicted of the transport or release of live feral hogs may be subject to losing hunting privileges for up to three years and a fine up to $5,000.00, but not less than $1,500.00. Transport and possession of live feral hogs are regulated by GDA; contact the Animal Industry Division at 404-656-3671 for more information or visit georgiawildlife.com/feral-hog-transport.

PROCESSING
Any facility that processes hogs for a fee, including deer processors, must obtain a license to operate from the Meat Inspection Section of the Georgia Department of Agriculture. For more information, deer processors may contact the Georgia Meat Inspection Section at 404-656-3673. Licensing requirements do not apply to individuals who process feral swine for their own use.

DISEASE WARNING
Feral hogs can carry infectious diseases that are transmissible to people. To avoid possible exposure: wear plastic gloves when field-dressing feral hogs; wash hands with soap and hot water immediately afterwards; avoid direct contact with blood and reproductive organs; cook thoroughly; and properly dispose of all waste.

SMALL GAME
BOBCAT & FOX
Bobcats and foxes may be hunted with small game firearms or centerfire firearms of .17 caliber or larger. Manual calls only. Hunting with dogs allowed. Night hunting allowed.

COYOTES, ARMADILLOS, GROUNDHOGS, BEAVERS, STARLINGS, PIGEONS & ENGLISH SPARROWS
No closed season. No limit. There is no closed season for trapping beavers and coyotes. Electronic calls may be used for hunting coyotes.

ALLIGATOR
Season: August 16 (sunset) - October 7 (sunrise)
Legal Weapons: Hand-held ropes or snares, snatch hooks, harpoons, gigs, or arrows with restraining line attached. Lawfully restrained alligators may be killed with any caliber handgun or bangstick.

Quota Process: Alligator harvest is permit only. To enter the selection process, log into your account at GoOutdoorsGeorgia.com. Application Period: June 1 - July 15

Please visit our website, GoHuntGeorgia.com, for complete alligator hunting rules and regulations, including tagging and reporting requirements.

TRAPPING
Complete trapping regulations are available at GoHuntGeorgia.com. See pages 35 & 44 for seasons.

FALCONRY
Valid falconry permit and hunting license required. For season dates and limits for waterfowl see page 36.

FEDERALLY REGULATED MIGRATORY BIRDS

The U. S. Fish and Wildlife Service (USFWS) regulates the harvest of migratory birds by establishing framework (opening and closing dates, maximum season length, and maximum bag limits) within which states can set their migratory bird hunting seasons. Georgia annually proposes waterfowl and late-season migratory bird hunting season dates and bag limits that maximize opportunity within the framework adopted by the USFWS.

In addition to State regulations, Federal rules apply to the taking, possession, shipping, transporting, and storage of migratory birds. Each hunter should also consult actual Federal Regulations, which may be found in: Title 50, Code of Federal Regulations, Part 20.

View, download and print at: www.gpoaccess.gov or www.GoHuntGeorgia.com

GA WATERFOWL AND MIGRATORY BIRD STAMP

Georgia Migratory Bird Stamp is required for any person age 16 and older and hunts migratory birds (ducks, geese, woodcock, snipe, coots, soras, rails, or gallinules). A free Georgia Migratory Bird Stamp is available for all resident Landowners hunting their own land and a Sportsman’s License, Youth Sportsman’s License, Disability Sportsman’s License, Disability Hunting License, Honorary License or Lifetime Sportsman’s License holder.

LEGAL HOURS

Dove: 12 noon until sunset on opening day of September season, and ½ hour before sunrise to sunset for the remainder of the season.

All Other Migratory Birds: ½ hour before sunrise to sunset.

FEDERAL YOUTH WATERFOWL DAYS

Nov. 16-17, 2019

Only youth 16 years of age or younger may hunt waterfowl or geese on these days. An adult at least 18 years of age must accompany the youth into the field but may not hunt.

POSESSION OF MIGRATORY BIRDS HARVESTED BY ANOTHER

Persons possessing migratory birds harvested by another hunter must possess, in writing, the hunter’s signature, address, total number of birds harvested by species and dates of harvest.

NON-TOXIC SHOT

Any 10-gauge or smaller loaded with federally approved nontoxic shot of size “F” or
smaller. No lead shot may be in possession while hunting waterfowl.

BANDED BIRDS
Hunters harvesting any banded migratory bird should go to the Bird Banding Laboratory website at www.reportband.gov to report the band number and how, when and where it was recovered.

FALCONRY (FOR MIGRATORY BIRDS)
Valid falconry permit and hunting license required.

DATES:
Sept. 7 - 29
Oct. 12 - 27
Nov. 16 - 17
Nov. 23 - Dec. 7
Dec. 12 - Jan. 31

LIMITS:

SPECIES REGULATIONS
CROWS
Electronic calls may be used. Crows may be taken outside of these dates only when causing agricultural damage.

EUROASIAN COLLARED DOVES
May be taken at any time; no limit.

CAUTION: More restrictive regulations may apply to National Wildlife Refuges open to public hunting. For additional information on Federal Regulations, contact Special Agent-in-Charge, U.S. Fish and Wildlife Service, 75 Spring Street, S.W. Atlanta, GA 30303 or call 404-679-7057.

SPECIAL REGULATIONS

LAKE LANIER RESTRICTIONS:
No hunting allowed within 600 feet of a dock, house, structure, bridge, road, boat ramp, marina or open recreation area. Contact the Game Management Region 2 Office for open dates, closed recreation areas open for hunting and other special rules for waterfowl hunting on Lake Lanier, or visit www.gohuntgeorgia.com/Hunting/Waterfowl.

GEORGIA POWER LAKES
(IN NORTH GEORGIA):
No hunting allowed within 300 feet of any dock, house, boat ramp, marina or open recreation area without permission from the lease or property owner.

LAKE WALTER F. GEORGE:
No hunting allowed on the portions of LWFG in Georgia within 600 feet of a dock house structure, bridge, road, boat ramp, marina, or open recreation area. Waterfowl hunting from land is prohibited outside of the specified “Hunting Areas”. A Corps permit is required to hunt waterfowl on all areas of the lake, except the Eufaula NWR. Information on how to purchase a permit (in person or by mail only): www.sam.usace.mil or 229-768-2516.

LAKE BLACKSHEAR, LAKE OCONEE, LAKE SEMINOLE, LAKE SINCLAIR & LAKE OLIVER (SOUTH OF STANDING BOY CREEK):
No hunting allowed within 300 feet of a dock house structure, bridge, road, boat ramp, marina or open recreation area.

Lakes open for duck and goose hunting: Lake Burton, Lake Seed, Lake Rabun, Tallulah Falls Lake, Lake Tugalo and Lake Yonah. Contact the Game Management Region 2 Office for dates and other special rules for waterfowl hunting on Georgia Power Lakes in North Georgia, or visit www.gohuntgeorgia.com/Hunting/Waterfowl.

WILDLIFE MANAGEMENT AREAS (WMAS)
Each WMA offers unique hunting opportunities based upon factors such as climate, topography, access, wildlife population dynamics and public desires. Therefore, each WMA has specific rules and regulations. You should be familiar with the rules and regulations for a specific WMA before visiting.

Maps: Interactive maps for all WMAs are available at georgiawildlife.com/AllWMAs. Maps may also be found at check stations, kiosks, and region offices.

Land Access: Any person, age 16 and older, entering any WMA or PFA must possess a valid license to hunt or fish or a Lands Pass (exclusions apply). Visit www.georgiawildlife.com/LandAccess for a list of all public properties and access requirements. Areas that require a valid license to hunt or fish or a Lands Pass are marked with the posting of a sign at the site or area entrance. A Lands Pass and all hunting and fishing licenses may be purchased at GoOutdoorsGeorgia.com, by calling 1-800-366-2661, or through license vendors.

Any individual(s) or organization(s) desiring to sponsor or conduct an event, activity, or series of events or activities involving more than eight individuals on a WMA or PFA may be required to obtain a “Right of Entry” agreement (ROEA) from the Department. Contact the respective Game Management office (see page 4) for more details.

VOLUNTARY PUBLIC ACCESS (VPA) PROPERTIES
Since 2014, through a USDA grant, the DNR Wildlife Resources Division (WRD) has been able to enhance and add to its WMA program through additional temporary agreements with private landowners for public hunting opportunities. Some of these VPA opportunities are listed from pages 48-69, but others could not be included due to deadlines. For an accurate list of properties, please visit GoHuntGeorgia.com.

CHECK-IN HUNT VS. SIGN-IN HUNT:

CHECK-IN HUNT
For check-in hunts, hunters must check-in prior to hunting. Hunters may check-in starting at noon one day prior to the hunt, anytime during the hunt, or online at GoOutdoorsGeorgia.com. Check-in is required once for each check-in period.

Two deer of either sex may be harvested during any one check-in hunt, unless otherwise specified, on Quality Buck WMAs. See specific WMA listing for hunt details.

All game or feral hogs harvested at a check-in hunt must be checked-out at the check station on the day of the harvest and should not be recorded on your Harvest Record or reported through Georgia Game Check.

SIGN-IN & CHECK-IN HUNTS
Depending on the type of hunt, all big game hunters must either sign-in or check-in prior to hunting. For designated sign-in hunts, sign in is available beginning at noon one day prior to hunt at check station/kiosk. Sign in is required once per hunt for big game hunts. For designated check-in hunts, hunters can check in at the check station/kiosk. Both sign-in and check-in are available online at GoOutdoorsGeorgia.com except for some State Park Hunts and some coastal island WMA hunts.

Two deer may be harvested during any sign-in hunt lasting less than ten days. During a sign-in hunt lasting 10 days or longer, the bag limit is the statewide season bag limit. Bag limits for other species are the same as statewide limits, unless otherwise noted under the specific WMA (see pages 48-69).

All deer and turkey harvested during a sign-in hunt must be checked using GA Game Check and will count toward the hunter’s personal bag limit. See pages 22 and 32 for details.

Mandatory WMA Bear Harvest Requirements: All bears must be reported and tagged. See page 32 for specific requirements by Bear Zone.

ROAD CLOSURES
There are reasons why roads may be closed to motor vehicles. Some roads are only intended for WRD personnel to perform administrative activities on a WMA (such as timber harvest, habitat management, prescribed fire or emergency response). Roads that are typically closed may be open during managed hunts or during certain high-use periods to provide better access and evenly distribute hunters.

Before visiting a WMA:
• Go to GoHuntGeorgia.com for notices of road closures
• Obtain a WMA map that denotes area specific access
• Contact the region office regarding questions pertaining to the specific status of roads or access features

YOUTH HUNTS AND SUPERVISION
Youth under age 16 must be accompanied by an adult 18 years or older and “directly supervised,” which means uninterrupted, unaided visual contact and auditory communication with the youth by the adult when hunting on a WMA.

Big Game Hunts: One adult shall supervise no more than one child. Only the youth may hunt. The adult may not hunt. All Youth Big-Game
STOP THE SPREAD OF COGONGRASS
REPORT SIGHTINGS TO
THE GEORGIA FORESTRY COMMISSION

Cogongrass is considered the “seventh worst weed in the world.” It reduces forest productivity, displaces native plant communities and destroys preferred wildlife habitat for quail, turkey and deer. Cogongrass will grow in a range of soil types and sunlight conditions. It is spread by both wind-blown seeds and creeping rhizomes.

Keys to Identification:
- Large, fluffy white seedheads are only present in the spring.
- The root system is a dense, thick root mat with extremely long, scaly and sharp pointed rhizomes.
- Leaves have finely serrated margins (often light yellow-green in color) and prominent, off-center white mid-veins.

The Georgia Forestry Commission administers the cogongrass eradication program. Please report sightings of cogongrass to your local GFC county office, GFC management forester or online at GaTrees.org.

More information can be found at http://www.gatrees.org/forest-management/forest-health/cogongrass/index.cfm or https://www.cogongrass.org.
Small Game Hunts: One adult may directly supervise no more than two children (16 years old and under). Adults and children may hunt, provided that the adult is directly supervising a child who is actively participating in the hunt, unless otherwise noted on specific WMA (see pages 48-69).

RESTRICTIONS

QUALITY BUCK
Several WMAs are managed for Quality Bucks, which place restrictions on the buck you may harvest. These WMAs will define a Quality Buck in one of three ways:

• Point Restrictions: Requires a minimum of 4 points on one side and points must be 1 inch or longer.

• Spread Restrictions: Requires a 15 inch outside spread OR 16 inch main beam.

• Point or Spread Restriction: Requires a minimum of 4 points on one side and points must be at least one inch long OR a 15 inch outside spread.

On hunts having antler restrictions, only one antlered buck may be harvested per hunt. Always refer to the specific WMA to determine if it is managed as a Quality Buck area and to see the applicable restrictions.

HUNTING FERAL HOGS AND COYOTES
Feral hogs and coyotes may be taken during any small or big game season with the appropriate lawful weapons. In addition, a coyote season will be held from May 16-31 on all WMAs, unless otherwise specified in the WMA listings on pages 48-69. On some WMAs during the May 16-31 season, feral hogs may be taken as specified by individual WMA listing. Daylight florescent orange is required, for both coyote and feral hogs. Electronic calls may be used. No night hunting or baiting allowed. Dogs are NOT allowed unless otherwise specified.

TREE STANDS AND HUNTING STRUCTURES
Hunting structure: any portable tree stand, ground blind, stool, chair, bucket, waterfowl blind, or other similar device used for the purpose of hunting.

Hunters may not construct or hunt from any tree stand that is not portable or natural. Tree stands may not be placed on utility poles or other structures supporting utility lines. For big game and feral hog hunts, hunting structures shall not be placed any sooner than one day prior to the hunt and shall be removed from the WMA no later than 12 noon the day following the hunt. For small game hunts, hunting structures may be placed and shall be removed from the WMA only on the day of the hunt.

Exception: Opening day of dove season hunters shall not enter a managed dove field and hunting structures shall not be placed on a managed dove field prior to 10 a.m.

WMA ACTIVITIES

CAMPING
All camps or fires shall be in designated campgrounds unless otherwise posted at the check station. Designated campgrounds may have a fee, and reservations, payments are available online or by calling 1-800-366-2661. Camping, or establishment of a campsite, shall be limited to a maximum of 14 consecutive days, after which the campsite shall be vacated and all personally owned property or physical features of the camp must be removed for a period of not less than 7 days. During that 7-day period a new campsite may not be established within the boundaries of the same WMA or within 1 mile straight-line radius of the vacated campsite by the same person(s).

• No musical instruments, radios, televisions, generators or other noise making devices after 10:00 p.m. daily in such a manner that such devices may be heard by other WMA users. (Note: Medically needed devices or aids to disabled persons are permitted.)

• No camping or driving motor vehicles on wildlife openings.

• No carving, cutting, chopping or damaging of live or standing trees.

Camping, hiking and other recreational uses are allowed year-round, unless otherwise posted at the WMA check station or at a specific recreation site. All WMA visitors are encouraged to wear daylight florescent during open hunting seasons. Specific recreation sites may be closed as needed for management purposes.

Loaded firearms are prohibited in camping areas, except that any person possessing a Weapons Carry License that is valid in this state pursuant to OCGA §§ 16-11-126(f) or 16-11-129 may carry such firearm subject to the limitations of OCGA §§ 16-11-126 and 16-11-127, except where prohibited by federal law.

Camping is allowed anywhere on National Forest Lands unless otherwise indicated or signed. Forest Service regulations govern outdoor recreation on WMAs located on National Forest Lands.

COLLECTING FIREWOOD
Only trees that are dead and down may be cut and used for firewood on WMAs. Annual firewood cutting permits are issued for personal use by the Game Management region office. On National Forests, firewood permits are available from the district US Forest Service offices.

FISHING
Fishing is allowed on WMAs unless otherwise posted. A fishing license is required to fish on all WMAs (a trout license is additionally required to fish in mountain trout waters).

OPERATING MOTOR VEHICLES AND ATVS
All motor vehicles are restricted to roads open for vehicular access. ATVs may only be operated on open roads within WMAs during the period between 2 hours before sunrise and 2 hours after sunset one day prior to and during big game, small game, and hog hunts by hunters actively participating in the hunt (except where otherwise specified). However, on National Forest Lands, including WMAs on the National Forest, ATVs are restricted to designated trails unless posted otherwise.

“Open Roads” are roads not closed with a gate, sign, earthen berm or similar device intended to prevent vehicular access. Motor vehicles (including ATVs, dirt bikes, utility vehicles, golf carts, and other off-road vehicles) must meet applicable safety, licensing, insurance and registration requirements for use on public roads. Vehicle and ATV operators must be at least 16 years old. Roads may be closed at the discretion of DNR. Vehicles may not be parked in such a way as to block an open or closed roadway.

Fees on National Forest Lands: Fees may be charged for camping, ATV/ORV trails, shooting ranges, and boat ramps on the National Forest. These fees apply to all users. For more information, visit www.fs.fed.us/conf or contact any US Forest Service Office.

RIDING HORSES AND BIKES
Horses and bicycles are allowed on open roads, designated trails, or designated areas. Bicycles may be used on closed roads for the purpose of hunter access. Horses may be used off roads and trails during permitted field trials. Horses and bicycles may be used on National Forest Lands not otherwise closed. Horses and bicycles are prohibited on the Appalachian Trail.

AFTER YOUR SUCCESSFUL HUNT
All hunters must make an effort to properly dispose of all portions of deer carcasses after processing. Please do not discard carcasses within 1,500 feet of any campground or within 125 feet of any road or trail. Do not dump multiple deer in one spot. Spread carcasses out so scavengers across the WMA can access the carcasses, facilitating quick clean up.

**PUBLIC HUNTING OPPORTUNITIES**

**GENERAL WMA REGULATIONS**

**MIGRATORY BIRDS**

*Crows, Snipe, Sora, Rails and Woodcock* may be hunted on small game dates during the statewide seasons for each species unless otherwise specified. Statewide bag limits and restrictions listed on pages 36-37 apply.

**Duck** hunting on managed impoundments at Altamaha (Butler Island), B.F. Grant WMA, Cordele Hatchery, Evans PFA, Oconee WMA, Rum Creek WMA, and West Point WMA - Glovers Creek is by quota only. Hunters must hunt from assigned areas or ponds, as specified. Shooting hours end at 12 noon, except for the last Saturday of the season, when hunting is allowed until sunset. See pages 20 and 79 for quota hunt information.

Waterfowl on all other WMA locations may be hunted any day of the waterfowl season that the area is open for small game hunting or as otherwise specified.

**Goose** hunting is allowed on WMAs except on managed waterfowl impoundments and managed dove fields. On managed waterfowl impoundments, geese may be taken by drawn hunters during the statewide goose season.

**SMALL GAME, FURBEARERS, FALCONRY**

**Alligators** may be taken on small game dates and big game dates, day or night, during statewide alligator season by quota permit holders only, unless otherwise specified in the WMA listings on pages 48-69. See page 33 for more information.

**Coyotes** may be taken anytime a season is open on a WMA, but hunters may only use weapons legal for the game species for which the season is open. In addition, on WMAs where coyotes can be taken during May 16-31, any legal weapon may be used. During the May season, hunters are required to wear florescent orange.

**Falconry:** Small game may be taken on WMAs (including field trial and archery only areas) by permitted falconers at any time during the state falconry season except during managed big game hunts or as otherwise specified on the specific WMA (see pages 48-69).

**Furbearers:** Raccoons, oppossum, foxes and bobcats may be hunted within statewide seasons during small game dates, unless otherwise specified in the WMA listings on pages 48-69. Furbearers may not be hunted during firearms deer hunts. Night hunting is allowed, unless otherwise specified, but is restricted to small game weapons only (no centerfire rifles). Hunters must pick up their dogs by 12 noon on the day following the hunt. No electronic calls.

**Small Game:** Small game may be hunted during the specified dates on a WMA ONLY if the statewide season for that small game species is also open (see pg. 35 for statewide season and pg. 48-69 WMA specific dates). Daylight florescent is required on small game hunts (except dove and waterfowl) concurrent with firearms deer and bear hunts. No small game or furbearer hunting is allowed during a deer hunt lasting less than 10 days, except that migratory birds may be hunted during archery deer hunts during open state season unless otherwise specified, as well as some WMAs allow small game hunting during the statewide primitive weapons deer season (check individual WMA listings).

**Trapping:** Limited opportunities to trap on certain WMAs are available by permit only. Such opportunities are available on: Albany Nursery, B. F. Grant, Big Lazer Creek, Blanton Creek, Bullard Creek, Clayhole, Crockford-Pigeon Mtn, Dawson Forest, Dixon Memorial, Elmodel, Joe Kurz, Penholoway, Rum Creek, Tuckahoe, West Point, and Yuchi WMAs. Contact the appropriate region office for further details or to apply for a permit.

**UNLAWFUL ACTIVITIES on WMAs**

- Man-drives during deer hunts. A man-drive is defined as an organized hunting technique involving three (3) or more hunters using a coordinated effort to drive deer or feral swine from cover to another hunter for the purpose of shooting.
- Placing bait or wildlife food and hunting any game species or feral hog over bait.
- Target practicing, except on an authorized shooting range.
- Driving a vehicle around any gate, sign, earth berm, or similar device intended to prevent vehicular access.
- Hunting within 50 yards of any road opened for vehicular access. (Possession of a loaded firearm within 50 yards of a road opened for vehicular access is considered hunting.)
- Hunting within a posted safety zone or no hunting zone.
- Consuming alcohol except at designated camp sites (this regulation does not apply on National Forest Lands).
- Camping or operating a motor vehicle upon any permanent wildlife opening.
- Using motor vehicles, signage, flagging tape, or any other method(s) to close or restrict access to roads, trails or any other access features.
- Using metal detectors or collecting artifacts.
- Using paintball equipment (this regulation does not apply on National Forest Lands).
- Trapping except that special permits may be issued for certain WMAs.
- Possessing alcohol while hunting on National Forest lands.
- Possessing a cocked crossbow in a motor vehicle.
- Possessing a firearm during a closed hunting season for an area, except on designated shooting ranges, unless such a firearm is unloaded and stored in a motor vehicle so as to not be readily accessible, except that any person possessing a Weapons Carry License that is valid in this state pursuant to OCGA §§ 16-11-126(f) or 16-11-129 may carry such firearm subject to the limitations of OCGA §§ 16-11-126 and 16-11-127, except where prohibited by federal law.
- Possessing a loaded firearm (a gun is considered loaded if a shell is in the chamber or magazine, a percussion cap is on the nipple, or powder is present on the frizzen pan) in a motor vehicle, except that any person possessing a Weapons Carry License that is valid in this state pursuant to OCGA §§ 16-11-126(f) or 16-11-129 may carry such firearm subject to the limitations of OCGA §§ 16-11-126 and 16-11-127, except where prohibited by federal law.
- A Weapons Carry License does not allow the holder to carry a loaded firearm, other than a handgun, in a motor vehicle on a WMA.
- Hunt any big game species, feral hogs, or coyotes with dogs unless otherwise specified.
The target shooting and hunting community prides itself on being safe and responsible with firearms in all situations—from using them outdoors to storing them safely at home. Sometimes, however, unusual conditions such as extremely dry environments require an extra level of awareness and safety on the part of shooters.

Wildfires have many possible causes. The National Shooting Sports Foundation, the trade association for the firearms and ammunition industry, reminds all shooters that during dry and hot weather conditions their use of certain ammunition and targets could accidentally ignite a wildfire. NSSF reminds all target shooters and hunters, as well as other outdoor enthusiasts, to consider the potential consequences of their activities in fire-prone environments.

- Make it a point to know the regulations and rules related to shooting in areas experiencing dry and hot conditions, whether on public or private land or at shooting ranges. Many national forests, for example, do not allow recreational shooting when fire restrictions are in effect.

- Consider the type of ammunition and targets you are using. Minimize the risk of fires by not using steel-jacketed ammunition, ammunition with steel-core components, tracer rounds or exploding targets in fire-prone areas.

- Remember that equipment, such as cars and ATVs, can have extremely hot exhaust systems that could ignite dry vegetation, so park only in designated areas.

- Extinguish and dispose of smoking materials safely.

- Follow guidelines to extinguish campfires.

- Warn others of potential dangers and behaviors for starting wildfires.

- Report any wildfire you see to authorities.

- Spread this message to other target shooters, hunters and outdoor enthusiasts.

**Wildlife Violator Compact**
Georgia, along with 45 other states, is a member of the Wildlife Violator Compact (WVC). This allows Wildlife Officers to treat non-residents hunting in WVC member states as if they were a resident of that state in regards to wildlife violations. All wildlife law violators will be held more responsible due to the fact that their illegal activities in one state can affect their hunting privileges in all WVC member states.

For $500 per night, per person, we take you on the ultimate night hog hunt! We use highly modified 4x4 luxury vans equipped with long range thermal optics, hooked up to the huge screen inside the van. This allows us to take 4 hunters per van (2 vans), in comfort and cover 1000’s of acres a night in search of wild hogs. Once we spot them from the van or with the thermal drone, we stalk in very close, and try to kill every hog we see!

If we put you in front of 20 hogs at 60 yards, with the best gear money can buy, how many will YOU get?? Come find out!!

CHARITY
QUOTA HUNT - A hunt that allows a predetermined number of hunters to participate. A QUOTA is used to conserve the natural resources (wildlife and their habitats) and to provide a high quality hunting experience.

PRIORITY POINTS

An applicant is awarded one priority point if not selected for the QUOTA hunt. Each person listed on a group application that is not selected is awarded a priority point. Priority points may be used on an application to increase the likelihood of selection. You may wager as many points as you have when applying for a quota hunt, not exceeding the lowest held by any group member. Only the number of points needed to win the hunt will be taken if you are selected. Visit the quota hunt page at GoHuntGeorgia.com to determine how many priority points may be required to get selected for your favorite hunt.

APPLICATION DEADLINES

The official application deadlines are 11:59 p.m. (EST) on the dates listed in the tables below. No applications will be accepted after the deadline.

Submit QUOTA hunt applications: GoOutdoorsGeorgia.com
