Before heading to your hunting location, use the online Deer Hunting Location Viewer to make use of the Automated Deer Harvest Report System. It’s easy, fast and accurate! See page 36 for details.

Four Easy Steps to Find Your Deer Season Regs by Zone

1. Start with the map on this page, then go to the Deer Management Zone (DMZ) Descriptions as noted to the top left of this map to confirm your exact zone boundary. Follow the zone boundary description with a county map to determine your exact location. Be sure to check for new boundary changes each year!

2. Use the Regulation Sets Reference Chart on page 42 to learn in which regulation set your DMZ is located.

3. Find your actual regulation set (see page 38), then confirm that your DMZ is listed at the top of that regulation set.

4. Locate your desired hunting season (e.g., fall bow, permit muzzleloader) for dates, bag limits and special information for your DMZ in the color-coded Deer Regulation Sets chart.
