Elk Zone Quotas

- Panhandle Zone Quota ........................................... 60
- Northwest Zone Quota ........................................... 8
- Special Northwest Zone Quota ................................. 2
- Northeast Zone Quota ........................................... 20
- Southwest Zone Quota ........................................... 30
- Special Southwest Zone Quota ............................... No Quota
- Southeast Zone Quota ........................................... 5

- Each elk hunting zone (except the Special Southwest Zone) has a quota established that limits the number of elk that may be harvested in that zone.
- Hunters must go online to wildlifedepartment.com before hunting to check the elk quota status for the zone in which they are hunting.
- Successful hunters are required to E-Check their elk harvest within 24 hours of leaving the hunt area at wildlifedepartment.com.
- Once a zone’s quota has been met, elk season is closed in that zone.
