The Sooner State offers plenty of opportunities for waterfowl hunting from border to border. This map depicts the locations of public hunting areas operated by, or in cooperation with, the Wildlife Department, listed in alphabetical order, as well as the ODWC wildlife office headquarters. The region the area is located in the state can be found in parentheses. For questions or specific information about any Public Hunting Area or Wildlife Management Area, please call the Hunting Contact phone number listed for that area on pages 81-97 of this Hunting and Fishing Regulations Guide.
