FIREWOOD WARNING

What's lurking in your firewood?

Buy Local, Burn Local.

• It is illegal to bring untreated* firewood into New York State
• It is illegal to transport untreated firewood more than 50 miles from its source or origin
• When transporting firewood, you must carry proof of source (except from a vendor), origin (self-issued certificate from DEC website), or treatment (label showing treatment method)

* Treated firewood has been heated to 160°F for 75 minutes to eliminate pests living inside the wood. Treated firewood can be moved without restriction.

Failure to follow these regulations may result in a ticket.

For questions, call toll-free: 1-866-640-0652

State and federal quarantines exist that further restrict the movement of firewood. For more information, visit www.dec.ny.gov and search for “invasive insects.”

Your firewood may be hiding invasive pests that are killing our trees and forever changing the forests we love. Protect our trees.

Regional Maps

Did you know in 2019, DEC Forest Rangers:

• Walked, snowshoed, and skied 26,297 miles of trails
• Observed 10,409 occupied campsites
• Patrolled 18,593 miles on snowmobile

Conservation Easements

Public hunting and trapping is allowed on the conservation easements shown on these maps, but because rules and regulations are different for each conservation easement, members of the public wishing to hunt or trap on a particular easement property are strongly encouraged to contact the local DEC office (see page 6) before planning a trip.

For more information on Conservation Easements, visit www.dec.ny.gov/lands/41156.html.

WMA Accessible Features for Regions 4 and 7
