Hunting has played an integral role in the lives of many Georgians by connecting them with nature, fostering family bonds, and cultivating a deep appreciation for conservation. The numbers are in and the increased participation in outdoor recreation we saw during Covid shutdowns has resulted in current numbers exceeding those in 2019 by 10%. This shows that the folks who were reactivated or who were mentored these past 3 years are becoming hunters and anglers.

Moving forward, it's essential to build upon this momentum and continue promoting these activities to ensure their long-term sustainability. Encouraging others to participate, mentoring newcomers, and fostering a sense of community can help maintain and grow the number of hunters and anglers. By sharing the joy and benefits of hunting and fishing, we can preserve these time-honored traditions and create a positive impact on individuals, the environment, and future generations.

It is hard to explain in words the value gained from our experiences outdoors. They say a picture is worth a thousand words but most of the time we're simply sharing the result of an extraordinary experience. The sight, smell, and sound of sunrise afield is something words cannot possibly capture, and that experience is needed to spread our passion to others. When you consider taking someone afield for the first time, picture the bond that can be forged as you explore the great outdoors together, honing skills, and creating memories that will last a lifetime.

Georgia DNR invites you to be a part of the solution to preserve the hunting heritage. Doing your part is simple – find a friend, co-worker, child, or family member who's never been hunting and take them into the field with you. Together, we can reignite and share our passion for hunting and ensure its continuation for generations to come. So, let's grab our gear, embrace the thrill of the hunt, and share the true gift that Georgia has to offer – its natural resources.

## WHERE TO BUY YOUR LICENSE

**Online:** [GoOutdoorsGeorgia.com](http://GoOutdoorsGeorgia.com)

**Phone:** 1-800-366-2661

**In Person:** License vendors are located statewide. Check [GoHuntGeorgia.com](http://GoHuntGeorgia.com) for a complete list.

**Federal Duck Stamp:** [GoOutdoorsGeorgia.com](http://GoOutdoorsGeorgia.com), [usps.com](http://usps.com), 1-800-STAMP24, or a local US Post Office

## TOP 5 REASONS TO BUY A HUNTING AND FISHING LICENSE

1. 100% of your purchase is going to fund wildlife conservation in Georgia.
2. Your license purchase is an investment bringing \$50 back to Georgia wildlife in federal dollars.
3. You'll join a group of people that have funded conservation for the past 100 years.
4. It's a great value - A \$15 annual hunting or fishing license allows you to hunt or fish for 4 cents a day.
5. It lets you do more than just hunt or fish - every hunting or fishing license also gives you access to all of Georgia's Wildlife Management Areas (WMA), Public Fishing Areas (PFAs) and most DNR shooting ranges.

## ATTENTION BIG GAME HUNTERS!

Don't forget your 2023-24 Harvest Record before going afield to hunt bears, deer, or turkeys. You can get your **FREE** Harvest Record wherever licenses are sold and online. All 3 species must be reported to Georgia Game Check online or by phone. See page 14 for harvest reporting instructions.

### Reminder for alligator hunters:

Alligator hunters will receive their harvest record as part of their alligator permit at the time of purchase (alligator permits are free to drawn hunters who have certain licenses (see page 8) but they still have to "purchase" the permit online, by phone or at a license retailer).

# 2023-2024 HUNTING LICENSES

## RESIDENCY

**RESIDENT** means any person who has been domiciled within the State of Georgia (declared Georgia their only state of legal residence) for a period of at least three months. A valid Georgia driver's license or Georgia ID is required to show residency. Nonresident full time Georgia college students with a valid college ID living in Georgia, and active duty military personnel with a valid U.S. DOD Common Access Card with Uniformed Services affiliation and the dependents of such military personnel may obtain resident hunting and fishing licenses other than resident lifetime, disability and honorary licenses. Nonresident landowners must purchase a nonresident license.

## HUNTER EDUCATION

All hunters born on or after Jan. 1, 1961 must successfully complete a hunter education course before purchasing a hunting license. All hunter education courses certified or mandated by any state wildlife agency or Canadian province are accepted. Residents may sign up for online or classroom courses at **GoHuntGeorgia.com** or by calling **1-800-366-2661**.

## LICENSE REQUIREMENTS

Reliable identification and a Social Security Number (SSN) are required to purchase a license (OCGA § 19-11-9.1). Game Wardens may require positive identification when checking licenses. All required hunting licenses and stamps must be in possession while hunting or while assisting another hunter (electronic copies are acceptable). It is unlawful to obtain, possess, or use multiple licenses for the purpose of circumventing season bag limits.

Hunter education is not required to purchase an Apprentice Hunting License or short-term license. Persons purchasing a Lifetime License must have hunter education before hunting, unless exempt by age or supervision. Hunter education is not required to hunt on one's own land or land of a parent or guardian (blood or dependent relationship) residing in the same household, or to hunt pen raised game birds on licensed shooting preserves that provide specified hunter education instruction (see Shooting Preserve License page 12).

**To obtain a replacement hunter education card visit [GoOutdoorsGeorgia.com](http://GoOutdoorsGeorgia.com) or call 1-800-366-2661 Monday-Friday from 8 a.m. to 6 p.m. and Saturday and Sunday 9 a.m. to 5 p.m.**

## AGE REQUIREMENTS

**HUNTERS UNDER AGE 16** are not required to complete a hunter education course. A child under age 16 must be under "direct supervision" or "directly supervised," which means uninterrupted, unaided visual contact and auditory communication with the child by a licensed adult. It is unlawful for an adult to permit their child or ward (under age 16) to hunt without adult supervision.

**Exception:** Hunters 12-15 years old may hunt unsupervised after successfully completing a hunter education course. Special restrictions may apply on WMAs and Federal Areas (see pages 36-39 and 64-66).

**HUNTERS AGE 16-25** are required to have a hunter education card when purchasing a season hunting license and must be in possession while hunting.

**HUNTERS OVER AGE 25** and born after Jan. 1, 1961 must successfully complete a hunter education course but are not required to present their Hunter Education Card when buying a season hunting license or possess it while hunting.

**APPRENTICE HUNTER** is any person who has not successfully completed a hunter education course or does not possess a hunter education certificate. Apprentice hunters may purchase a short-term Apprentice Hunting License to hunt and fish in Georgia.

## LANDS PASS

Any person age 16 and older, entering any WMA or PFA must have a valid Georgia license that allows hunting or fishing on state land or a Lands Pass (exclusions apply, visit [georgiawildlife.com/LandAccess](http://georgiawildlife.com/LandAccess)). WMAs and PFAs that require a license to hunt or fish or a Lands Pass are marked with a sign at the site or area entrance. See page 36 for more information.

## FREE LICENSES

**SENIOR CITIZENS:** Georgia residents born on or before June 30, 1952 may obtain a Lifetime Sportsman's License free of charge. An optional Lifetime Sportsman's Plastic Card may be purchased for \$10. Reduced cost senior annual and lifetime licenses are available to residents age 65+ born July 1, 1952 and after.

**RETURNING GEORGIA VETERANS (ONE TIME ONLY):** Georgia resident military veterans who were on active duty for 90 or more consecutive days and were honorably discharged on or after July 1, 2005 may obtain one annual Honorary License free of charge. Such veterans may obtain this license by providing a copy of their DD Form 214 and a completed DNR application.

## TYPES OF LICENSES

**RESIDENT HUNTING, COMBO OR SPORTSMAN'S LICENSE** is required for all resident hunters 16 years of age or older, except when hunting or fishing on one's own land or land owned by immediate family (blood or dependent relationship) residing in the same household.

**NONRESIDENT HUNTING, COMBO OR SPORTSMAN'S LICENSE** is required for all nonresident hunters, except nonresident small game hunters that are under 16. All nonresident big game hunters must obtain a Harvest Record and those 16 and older must possess a big game license (included in Sportsman's License).

**HARVEST RECORD** is required for any person who hunts alligator, bear, deer or turkey, regardless of age. The Harvest Record is only valid for a single year and may be obtained on or after March 1 for the upcoming season. Harvest must be recorded before moving the animal from the site of the kill, and reported online or by telephone within 24 hours. See page 14.

## Hunter Education Program

[georgiawildlife.com/education](https://georgiawildlife.com/education)

This is a required program for anyone age 16 and up who plans to hunt (and is a requirement for many of our youth programs). Students learn how to be safe and responsible with firearms.

## S.H.A.R.P. Program

<https://georgiawildlife.com/sharp-program>

Are you an adult or youth hunter with limited experience or success? The "Safe Harvest and Responsible Practices" (S.H.A.R.P.) program at Charlie Elliott Wildlife Center provides new hunters with the basic knowledge and skills required to confidently pursue Georgia's wild game on their own.

## Give It a Shot Program

[georgiawildlife.com/give-it-a-shot](https://georgiawildlife.com/give-it-a-shot)

Would you like a hands-on approach to firearms and shooting? The new and improved Give It a Shot Program is designed to help those who are new to shooting learn the basics.

## Buck Shoals WMA & Clybel WMA

[georgiawildlife.com/buck-shoals-wma](https://georgiawildlife.com/buck-shoals-wma)

[georgiawildlife.com/clybel-wma](https://georgiawildlife.com/clybel-wma)

Buck Shoals WMA and Clybel WMA offer a variety of youth and adult hunt and learn programs and youth quota hunt opportunities.

## Scholastic Clay Target Program

[georgiawildlife.com/sctp](https://georgiawildlife.com/sctp)

The Georgia Independent Schools Association and the Georgia Association of Private and Parochial Schools offer SCTP as a varsity team sport. Students who have completed hunter education have the opportunity to shoot trap, skeet and sporting clays with the help and support of trained coaches focused on firearm safety.

## National Archery in the Schools Program

[georgiawildlife.com/NASP](https://georgiawildlife.com/NASP)

NASP is an in-school archery program for students in grades 4th-12th.

## Summer Camps

[georgiawildlife.com/camps](https://georgiawildlife.com/camps)

Youth of all ages have fun learning about the outdoors together at day camps and residential camps held throughout the summer at Charlie Elliott Wildlife Center in Mansfield.

Archery hunters must wear at least 500 square inches of daylight fluorescent orange during primitive weapons and firearms deer seasons, except in archery-only counties or WMAs.

### PRIMITIVE WEAPONS

Statewide, excluding archery-only counties. Scopes are legal. Air rifles of .30 cal or larger and air bows are legal. During the statewide primitive weapons deer season and WMA primitive weapons hunts, **youth under 16 years of age may hunt deer with any legal deer firearm.**

### SEASON LIMIT

10 antlerless deer and 2 antlered deer. One of the two antlered deer must have a minimum of 4 points, 1 inch or longer, on either antler or a minimum 15-inch outside antler spread to be legal. (Special county antler restrictions noted in next section).

### COUNTY-WIDE ANTLER RESTRICTIONS

**Dooley & Macon:** antlered bucks must have a minimum outside antler spread of 15 inches to be legal.

**Hancock, Harris, Meriwether, Montgomery Randolph, Talbot & Troup:** antlered bucks must have a minimum of 4 points, 1-inch or longer, on either antler or a minimum 15-inch outside antler spread to be legal.

### CHECKING YOUR DEER

All deer hunters are required to have a Harvest Record for the current season. Additionally, harvested deer must be reported through Georgia Game Check within 24 hours (see Georgia Game Check on page 14).

### ANTLERS

Antlerless deer are those having no visible antlers above the hairline (including "button bucks") and may only be taken during either-sex or antlerless seasons or hunts. During "buck-only" hunts or seasons, a deer must have antlers visible above the hairline to be legal for harvest.

### TRANSPORTING DEER HARVESTED BY ANOTHER HUNTER

Persons transporting deer harvested by another hunter must possess, in writing, the complete name, address, telephone and hunting license number of the person who harvested the deer, and the Game Check confirmation number.

### COOLER LOCKERS

Whole or field-dressed deer received by a cold-storage or meat processing facility must be marked with the hunter's name, date, county of harvest and sex of deer. Hunters must provide the Game Check confirmation number to the facility when dropping off a deer. A list of processors is available at [GoHuntGeorgia.com](http://GoHuntGeorgia.com).

### LAKES, STREAMS AND PONDS

It is unlawful to take a deer by any means while it is in a lake, stream, or pond.

### RIGHTS-OF-WAY/TRANSMISSION TOWERS

Hunting from a stand or platform attached to a transmission tower is trespassing and is prohibited. Written permission must be obtained from the landowner to hunt on power line, gas line, railroad, or other rights-of-way.

### CHRONIC WASTING DISEASE PREVENTION

If you harvest a white-tailed deer, mule deer, elk, moose, caribou, or any other species of deer outside the state of Georgia, you may bring back only the following carcass parts:

- 1 – boned-out meat or products thereof;
- 2 – hides with no heads attached;
- 3 – antlers, skulls, skull plates, teeth or jawbones with no soft tissue attached (velvet antlers are okay);
- 4 – finished taxidermy products.

### CWD TESTING

Georgia Wildlife Resources Division has conducted statewide surveillance for CWD since 2002. Because the disease has not been found in Georgia to date, there is no recommendation from the Centers for Disease Control to test deer before consuming them. However, should you still want to test a deer for CWD you may contact your local Game Management office (see page 4) to make an appointment to bring the head in for testing. The fee for testing a deer head for CWD is \$40 per deer. When removing the head from the deer be sure to leave at least 4 inches of neck attached and store it refrigerated, not frozen. For more information please visit <https://georgiawildlife.com/cwd>.

### CARCASS DISPOSAL

Although CWD has not been detected in Georgia, hunters can help minimize the spread of disease by following these guidelines on carcass disposal:

- Field dress deer on the property where they were killed.
- Return any unused carcass parts (bones, hide, trimmings, etc.) to the property where the deer was killed or bag them and send them to a landfill as you would handle household waste.
- Never dispose of carcass parts in a lake, stream, or river or on a road side or property other than where the deer was killed.

### DEER URINE AND CWD

Hunters are strongly encouraged to only use synthetic urine products or natural urine products bearing the Responsible Hunting Scent Association's Deer Protection Program Checkmark.

# REDI FOR EVERY DAY

## THE NEW HAVALON REDI

It took over three years of R&D to create the first Havalon EDC. The REDI features the all new REDI-Lock replaceable blade system, which lets you easily swap between styles of semi-permanent AUS-8 steel blades. Unlike the original Piranta line, REDI blades are designed for extended use and abuse, and can even be re-sharpened. The REDI is also the first Havalon to have spring assist for smooth, one hand opening, further proving that it is REDI for any adventure.

## HUNTING REGULATIONS

### BAITING

**Bait:** corn, wheat, other grains, salts, apples, and other feed that has been placed, exposed, deposited, distributed, or scattered so as to constitute a lure, attraction, or enticement to game animals or game birds.

#### IT IS UNLAWFUL FOR ANY PERSON TO:

- Hunt any game animal (except as noted below) or game bird upon, over, around, or within 200 yards of bait.
- Hunt any area for a period of 10 days following complete removal of all bait.
- Hunt any game or feral hog over bait, or place bait, on any State or Federal managed lands.
- Place bait in a manner that will cause hunting on an adjacent property to be prohibited.

**Taking of any big game, other than deer, over bait is subject to a fine of \$5,000 and/or imprisonment up to 12 months.**

#### EXCEPTIONS FOR DEER AND FERAL HOGS:

- Deer and feral hogs may be hunted over or near any bait on private lands in all counties, provided the hunter has written permission from the landowner. It is unlawful to hunt deer over bait, or place bait, on any state or federally managed lands.
- Placing bait for deer or hogs may make a property (or portion of a property) un-huntatable for other species, such as turkeys. Hunters are urged to communicate with others who may hunt other species on or near an area where baiting for deer or hogs is being considered.

### MANAGING WILDLIFE POPULATIONS

Did you know season timing and length is more effective than bag limits when managing wildlife populations? Bag limits effectively protect wildlife populations by preventing the commercialization of meat and parts from decimating wildlife numbers.

However, truly increasing or decreasing harvest numbers requires adjusting season length and timing and cutting back some hunting opportunities. For most species, many hunters don't come close to killing the actual bag limit. For example, less than 10% of successful deer hunters kill more than 2 deer annually while nearly half don't kill any.

### FEDERALLY REGULATED MIGRATORY BIRDS

The U. S. Fish and Wildlife Service (USFWS) regulates the harvest of migratory birds by establishing framework (opening and closing dates, maximum season length, and maximum bag limits) within which states can set their migratory bird hunting seasons. Georgia annually establishes waterfowl and late-season migratory bird hunting season dates and bag limits that maximize opportunity within the framework adopted by the USFWS.

**In addition to State regulations, Federal rules apply to the taking, possession, shipping, transporting, and storage of**

**migratory birds. Each hunter should also consult official Federal Regulations, which may be found in: Title 50, Code of Federal Regulations, Part 20.**

### GA WATERFOWL AND MIGRATORY BIRD LICENSE

A GA Waterfowl & Migratory Bird License is required for any person age 16 and older who hunts migratory birds (doves, ducks, geese, woodcock, snipe, coots, soras, rails, or gallinules). A free GA Waterfowl & Migratory Bird License is available for all resident Landowners hunting their own land and also for any Sportsman's License, Youth Sportsman's License, Disability Sportsman's License, Disability Hunting License, Honorary License or Lifetime Sportsman's License holder.

### FEDERAL DUCK STAMP

Federal Duck Stamp is required for all waterfowl (ducks and geese) hunters 16 years of age or older, including resident landowners and their immediate family. The stamp is valid from July 1 - June 30 and must be signed in ink across the face. The Federal Migratory Bird Hunting and Conservation Stamp is available at US Post Offices, 1-800-STAMP24, [www.GoOutdoorsGeorgia.com](http://www.GoOutdoorsGeorgia.com), or [usps.com](http://usps.com).

# GEORGIA PUBLIC HUNTING OPPORTUNITIES

## WILDLIFE MANAGEMENT AREAS (WMAS)

WMAs, VPAs, and State Parks offer unique hunting opportunities based upon factors such as size, habitat, topography, access, wildlife population dynamics and public desires. Therefore, each area has specific rules and regulations. Being familiar with Unlawful Actions (pg. 43), information that follows, and regulations for a specific area can ensure you have an enjoyable experience.

**Land Access:** Any person, age 16 and older, entering any WMA or PFA must have a valid GA license that allows hunting or fishing or a Lands Pass (exclusions apply). Visit [www.georgiawildlife.com/LandAccess](http://www.georgiawildlife.com/LandAccess) for a list of all public properties and access requirements. Areas that require a valid license to hunt or fish or a Lands Pass are marked with signage at the site or entrance. Passes and licenses may be purchased at [GoOutdoorsGeorgia.com](http://GoOutdoorsGeorgia.com), by calling 1-800-366-2661, or through license vendors.

Any individual(s) or organization(s) desiring to sponsor or conduct an event, activity, or series of events or activities involving more than eight individuals or are engaged in commercial activities on a WMA or PFA may be required to obtain a "Right of Entry" agreement (ROEA) from the Department. Contact the respective Game Management office for more details (see page 4).

**Maps:** Interactive maps for all areas are available at [georgiawildlife.com/AllWMAs](http://georgiawildlife.com/AllWMAs). Maps may also be found at check stations, kiosks, and region offices.

**Fees on National Forest Lands:** Fees may be charged for camping, ATV/ORV trails, shooting ranges, and boat ramps on the National Forest. These fees apply to all users. For more information, visit [www.fs.usda.gov/visit/passes-permits/recreation-fees-passes](http://www.fs.usda.gov/visit/passes-permits/recreation-fees-passes) or contact any U. S. Forest Service Office.

## WMA ACTIVITIES

**CAMPING** is allowed year-round unless otherwise indicated in the area listing. Camping and campfires must be in designated campgrounds unless otherwise posted at the check station. Camping, or establishment of a campsite, is limited to a maximum of 14 consecutive days, after which the campsite must be vacated and all personally owned property or physical features of the camp must be removed for a period of not less than 7 days. During that 7-day period a new campsite may not be established within the boundaries of the same WMA or within 1 mile straight-line radius of the vacated campsite by the same person(s).

Designated DNR-managed campgrounds may have a fee and/or require reservations. Payments and reservations may be made online at [GoOutdoorsGeorgia.com](http://GoOutdoorsGeorgia.com) or by calling 1-800-366-2661.

No musical instruments, radios, televisions, generators or other noise making devices may be used after 10:00 p.m. in a manner that they may be heard by other WMA users. (Note: Medically needed devices or aids to disabled persons are permitted.)

Loaded firearms are prohibited in camping areas, except that any lawful weapons carrier as defined in O.C.G.A. Section 16-11-125.1 may carry such firearm subject to the limitations of OCGA §§ 16-11-126 and 16-11-127, except where prohibited by federal law.

No carving, cutting, chopping or damaging of live or standing trees.

**NATIONAL FOREST LANDS:** Camping is allowed anywhere unless otherwise indicated or signed. Forest Service regulations apply on WMAs located on National Forest lands.

**HIKING & OTHER RECREATIONAL USES** are allowed year-round, unless otherwise posted at the WMA check station or at a specific recreation site. All WMA visitors are encouraged to wear daylight fluorescent orange during open hunting seasons. Specific recreation sites may be closed as needed for management purposes.

**COLLECTING FIREWOOD:** Only trees that are dead and down may be cut and used for firewood on WMAs. Annual firewood cutting permits are issued for personal use by the Game Management Region Office. On National Forests, firewood permits are available from the district U. S. Forest Service offices.

## MOTOR VEHICLES, ATVS, HORSES & BICYCLES

All motor vehicles are restricted to roads open for vehicular access. ATVs may only be operated on open roads within WMAs during the period between 2 hours before sunrise and 2 hours after sunset one day prior to and during big game, small game, and hog only hunts by hunters actively participating in the hunt (except where otherwise specified).

"Open Roads" are roads not closed with a gate, sign, earthen berm or similar device intended to prevent vehicular access. Motor vehicles (including ATVs, dirt bikes, utility vehicles, golf carts, and other off-road vehicles) must meet applicable safety, licensing, insurance and registration requirements for use on public roads. Vehicle and ATV operators must be at least 16 years old. Roads may be closed at the discretion of DNR. Vehicles may not be parked in such a way as to block an open or closed roadway, or gate.

**ON NATIONAL FOREST LANDS,** including WMAs on the National Forest, ATVs are restricted to designated ATV trails unless posted otherwise.

## HORSES AND BICYCLES

Horses and bicycles are allowed on open roads, designated trails, or designated areas (some specific area restrictions may apply). Bicycles may be used on closed roads for the purpose of hunter access. Electric bicycles (750 watts or less) may be used the same as pedal powered bicycles. Those exceeding 750 watts are restricted to roads open for vehicular access. Horses may be used off roads and trails during permitted field trials.

**ON NATIONAL FOREST LANDS,** horses and bicycles may be used on lands not otherwise closed. Electric bicycles are restricted to roads open for motor vehicles. Horses, bicycles, and electric bicycles are prohibited on the Appalachian Trail.

# COGONGRASS...HAVE YOU SEEN IT? REPORT IT.

To prevent loss of forestland and wildlife habitat,  
report sightings to the Georgia Forestry Commission.

In spring - cogongrass produces fluffy white seedheads.

Leaves have finely serrated margins (often light yellow-green in color) and prominent, off-center white mid-veins.

Root system is a dense, thick root mat with extremely long, scaly and sharp pointed rhizomes.

Cogongrass may not look dangerous, but it is one of the world's worst weeds! It grows in full sun or shade, is spread by wind-blown seeds and underground rhizomes and chokes out all native vegetation. Most ground-dwelling animals such as quail, turkey, and deer do not travel through cogongrass.

# PUBLIC HUNTING OPPORTUNITIES

## GENERAL WMA REGULATIONS

### ROAD CLOSURES

There are reasons why roads may be closed to motor vehicles. Some roads are intended for Official Use Only (e.g., timber harvest, habitat management, emergency response). Roads that are typically closed may be open during managed hunts or during certain high-use periods to improve access and evenly distribute hunters. Before visiting a WMA:

- Go to **GoHuntGeorgia.com** for notices of road closures.
- Obtain a WMA map that denotes area specific access.
- Contact the Game Management Region Office (page 4) regarding questions pertaining to the specific status of roads or access features.

### HUNTING, FISHING & TRAPPING

Sign-in is required for all bear, deer, and turkey hunts unless otherwise noted for a specific area listing. Sign in only once for each hunt segment or season. Sign-in can be done online at **GoOutdoorsGeorgia.com** except for some State Park Hunts and some coastal island WMA hunts. Sign-in available the day prior to the hunt.

Bag limits are the same as statewide limits unless otherwise specified below or for a specific area listing. All alligator, bear, deer, and turkey are to be recorded on your harvest record and reported in Georgia Game Check (pg. 14) except as otherwise specified below.

#### DEER

All deer hunts or seasons are either-sex unless otherwise noted in the area listing. On areas with antler restrictions in effect, all deer hunts are quality buck and antlerless unless otherwise noted in the area listing.

**BONUS DEER HUNTS:** No more than two (2) deer may be killed unless otherwise noted in area listing. On areas with antler restrictions in effect, no more than one (1) of the two (2) deer may be an antlered buck. Deer killed on bonus hunts are not to be recorded on your deer harvest record or reported in Georgia Game Check. Instead, deer are to be taken on day of kill to the check station where agency staff will tag the deer. Deer can be brought to the check station whole, field dressed, or quartered along with head.

#### TURKEY

Bag limit is statewide limit except that no more than one (1) gobbler per season may be taken per a single WMA, department-managed land, or National Forest lands outside of WMAs unless otherwise noted in the specific area listing.

#### BEAR

All harvested bears must be Game Checked and tagged (See page 30 for specific requirements by bear zone). Bear killed during bonus deer hunts are to be taken on day of kill to the check station where agency staff will tag the bear.

#### MIGRATORY BIRDS

**CROWS, SNIPE, SORA, RAILS AND WOODCOCK** may be hunted during the statewide seasons (pages 34-35) for each species unless otherwise specified.

**DOVE:** On managed dove fields on opening day, legal hours are 1/2 hour before sunrise to sunset unless otherwise noted in area listing. Dove hunters may not enter the field prior to 1 hour before sunrise.

**DUCK** hunting on managed impoundments at Altamaha (Butler & Champney Islands), B. F. Grant, Oconee, Rum Creek, and West Point (Glovers Creek) WMAs and Cordele Hatchery is by quota only. Hunters must hunt from assigned areas or ponds. Shooting hours end at noon, except the last Saturday of the season when hunting is allowed until sunset. See page 70 for quota hunt information.

Waterfowl on all other WMA locations may be hunted any day of the waterfowl season or as otherwise specified.

**GOOSE** hunting is allowed on WMAs when the area is open for small game, except on managed waterfowl impoundments and managed dove fields. On managed waterfowl impoundments, geese may be taken by drawn hunters during the statewide goose season.

#### SMALL GAME, ALLIGATORS, FALCONRY

Small game and furbearers may be hunted subject to statewide seasons and bag limits (page 33) except as otherwise specified below and noted for a specific area listing.

Small game and furbearer hunting are not allowed during quota hunts unless otherwise noted in the specific area listing.

Daylight fluorescent orange is required on small game hunts (except dove and waterfowl) concurrent with firearms deer or bear hunts.

**ALLIGATORS** may be taken on small game dates and big game dates, day or night, during statewide alligator season by quota permit holders only, unless otherwise noted in the specific area listing. See page 31 for more information.

**COYOTES** may be taken anytime a WMA is open to hunting, but hunters may only use weapons legal for the species for which the area is open. During small game hunts and dates, centerfire firearms are not allowed. Additionally, coyote season is May 16-31 on all WMAs with any legal weapon, unless otherwise specified in the WMA specific area listings. Hunters are required to wear fluorescent orange and no night hunting or baiting is allowed. Electronic calls may be used.

**FALCONRY:** Small game may be taken on WMAs (including field trial and archery only areas) by permitted falconers during the state falconry season unless otherwise noted in the specific area listing.

**FERAL HOGS** may be taken anytime a WMA is open to hunting, but hunters may only use weapons legal for the species for which the area is open. During small game hunts and dates, centerfire firearms are not allowed. On some WMAs during the May 16-31 coyote season, feral hogs may be taken unless otherwise noted in the specific area listing. On WMAs where feral hogs can be taken during May 16-31, any legal weapon may be used and hunters are required to wear fluorescent orange. Electronic calls may be used. No night hunting or baiting allowed. Dogs are NOT allowed unless otherwise specified.

**FOX SQUIRREL** bag limit is one per person per day on all WMAs, VPAs, and department-managed lands.

**RACCOONS, OPOSSUMS, FOXES & BOBCATS** may be hunted at night unless otherwise noted in the specific area listing but is restricted to small game weapons only (no centerfire rifles). Hunters must pick up their dogs by noon on the day following the hunt. No electronic calls. No centerfire rifles during small game dates, day or night.

#### AFTER YOUR SUCCESSFUL HUNT

All hunters must make an effort to properly dispose of all portions of their game carcasses after processing (see page 21). Please do not discard carcasses within 1,500 feet of any campground or within 125 feet of any road or trail. Do not dump multiple game carcasses in one spot. Spread carcasses out so scavengers across the WMA can access the carcasses, facilitating quick clean up.

#### FISHING

Fishing is allowed on WMAs unless otherwise posted. A fishing license is required to fish on all WMAs (a trout license is additionally required to fish in mountain trout waters).

#### TREE STANDS & HUNTING STRUCTURES

Hunting structure: any portable tree stand, ground blind, stool, chair, bucket, waterfowl blind, or other similar device used for the purpose of hunting.

Hunters may not construct or hunt from any tree stand that is not portable or natural. Tree stands may not be placed on utility poles or other structures supporting utility lines. For big game and feral hog

hunts, hunting structures shall not be placed any sooner than one day prior to the hunt and shall be removed from the WMA no later than noon the day following the hunt. For small game hunts, hunting structures may be placed and shall be removed from the WMA only on the day of the hunt. **Exception:** Opening day of dove season hunters shall not enter a managed dove field and hunting structures shall not be placed on a managed dove field prior to 1 hour before sunrise.

### TRAPPING

Limited opportunities to trap on certain WMAs are available by permit only. Such opportunities are available on: Albany Nursery, B. F. Grant, Big Lazer Creek, Blanton Creek, Bullard Creek, Clayhole, Crockford-Pigeon Mtn, Dawson Forest, Dixon Memorial, Elmodel, Joe Kurz, Penholoway, Rum Creek, Tuckahoe, West Point, and Yuchi WMAs. Contact the appropriate region office (page 4) for further details or to apply for a permit.

### YOUTH HUNTS AND SUPERVISION

Youth under age 16 must be accompanied by an adult 18 years or older and “directly supervised,” which means uninterrupted, unaided visual contact and auditory communication with the youth by the adult when hunting on a WMA.

**Big Game (bear, deer, turkey) Hunts:** One adult shall supervise no more than one child. Only the youth may hunt. The adult may not hunt. All youth big game hunts are firearms hunts unless specified otherwise.

## GEORGIA'S FIRST LINE OF DEFENSE

## HUNTERS

HELP KEEP  
CHRONIC WASTING DISEASE (CWD)  
OUT OF OUR STATE.

Did you know? The movement of live deer is the greatest risk factor for introducing CWD to our state. Therefore, the live importation of all deer species from other states is prohibited. Georgia hunters hunting in other states may only bring home boned out meat, hides, skulls or skull caps with antlers attached and all soft tissue removed, jawbones with no soft tissue, elk ivories, and finished taxidermy mounts. All other carcass parts must be left behind.

### ARE CLOSED WMA ROADS BUGGING YOU?

If you're a wild turkey poult — bugging is a good thing! Well-fed poults are a key component of healthy wild turkey populations. Forest openings and other open weedy areas such as closed roads, old food plots, logging decks, and open roadsides create vital bugging habitat for wild turkey broods during the summer. Openings with a variety of 1-2 foot tall native plants interspersed between bare ground provide ideal insect foraging areas for turkey poults. High protein levels in insects help young turkeys quickly grow flight feathers, giving them the ability to roost in trees to avoid predation.

Georgia, along with 48 other states, is a member of the Wildlife Violator Compact (WVC). This allows Wildlife Officers to treat non-residents hunting in WVC member states as if they were a resident of that state in regards to wildlife violations. All wildlife law violators will be held more responsible due to the fact that their illegal activities in one state can affect their hunting privileges in all WVC member states. **QUOTA HUNT** - A hunt that allows a predetermined number of hunters to participate. A quota is used to conserve the natural resources (wildlife and their habitats) and to provide a quality hunting experience. A list of Youth Quota Hunts is on page 20. A list of Mobility Impaired Quota Hunts is on page 68. A list of General Quota Hunts is on pages 71-72.

### PRIORITY POINTS

An applicant is awarded one priority point if not selected for the quota hunt. Each person listed on a group application that is not selected is awarded a priority point. Priority points may be used on an application to increase the likelihood of selection. You may wager as many points as you have when applying for a quota hunt, not exceeding the lowest held by any group member. Only the number of points needed to win the hunt will be taken if you are selected. Visit the quota hunt webpage at [GoHuntGeorgia.com](http://GoHuntGeorgia.com) to determine how many priority points may be required to get selected for your favorite hunt.

### APPLICATION DEADLINES

The official application deadlines are 11:59 p.m. (EST) on the dates listed in the tables below. No applications are accepted after the deadline.
