This guide is not a legal document. This guide is an interpretive summary of the Titles 29 and 800 of Oklahoma Statutes governing fish and wildlife laws as established by the Oklahoma Wildlife Conservation Commission. For a complete listing of official regulations, you can obtain copies of current Oklahoma Statutes through your local library.

We manage and protect fish and wildlife, along with their habitats, while also growing our community of hunters and anglers, partnering with those who love the outdoors, and fostering stewardship with those who care for the land. The Wildlife Department receives no general state tax revenues and is proud to be funded primarily by hunters and anglers. For general information on licenses, regulations and the current fishing report, log on to wildlifedepartment.com or call (405) 521-3851.
