

2025 Multi-Season Tags

Hunt Big Game General Seasons from September 1 - December 31

Applications on Sale:
December 1, 2024 - March 31, 2025

What Is It?

These applications allow you to purchase a multi-season deer or elk tag if selected during the drawing process. If selected, you may hunt in any open unit during all general seasons starting with archery and continuing on for muzzleloader and then to modern firearm. The bag limit does not increase. One tag equals one animal. You must comply with all rules and weapon restrictions for the season in effect.

There are 8,500 deer and 1,000 elk tags available for the drawing.

Benefits

- Increase your success rate in harvesting deer or elk.
- You may also apply for any weapon type within special permits once the multi-season tag you were selected for is purchased.
- Elk multi-season tag holders may hunt eastern and western Washington.
