

FISHING WISCONSIN'S TROUT STREAMS

Map Index

The maps in this booklet are a general guide to help you locate trout waters and they show approximate boundaries of all trout streams classified by the DNR. They do not include all unnamed streams or all spring ponds. For exact boundaries of regulations and open seasons, see the text of this pamphlet and observe signs posted on the waters.

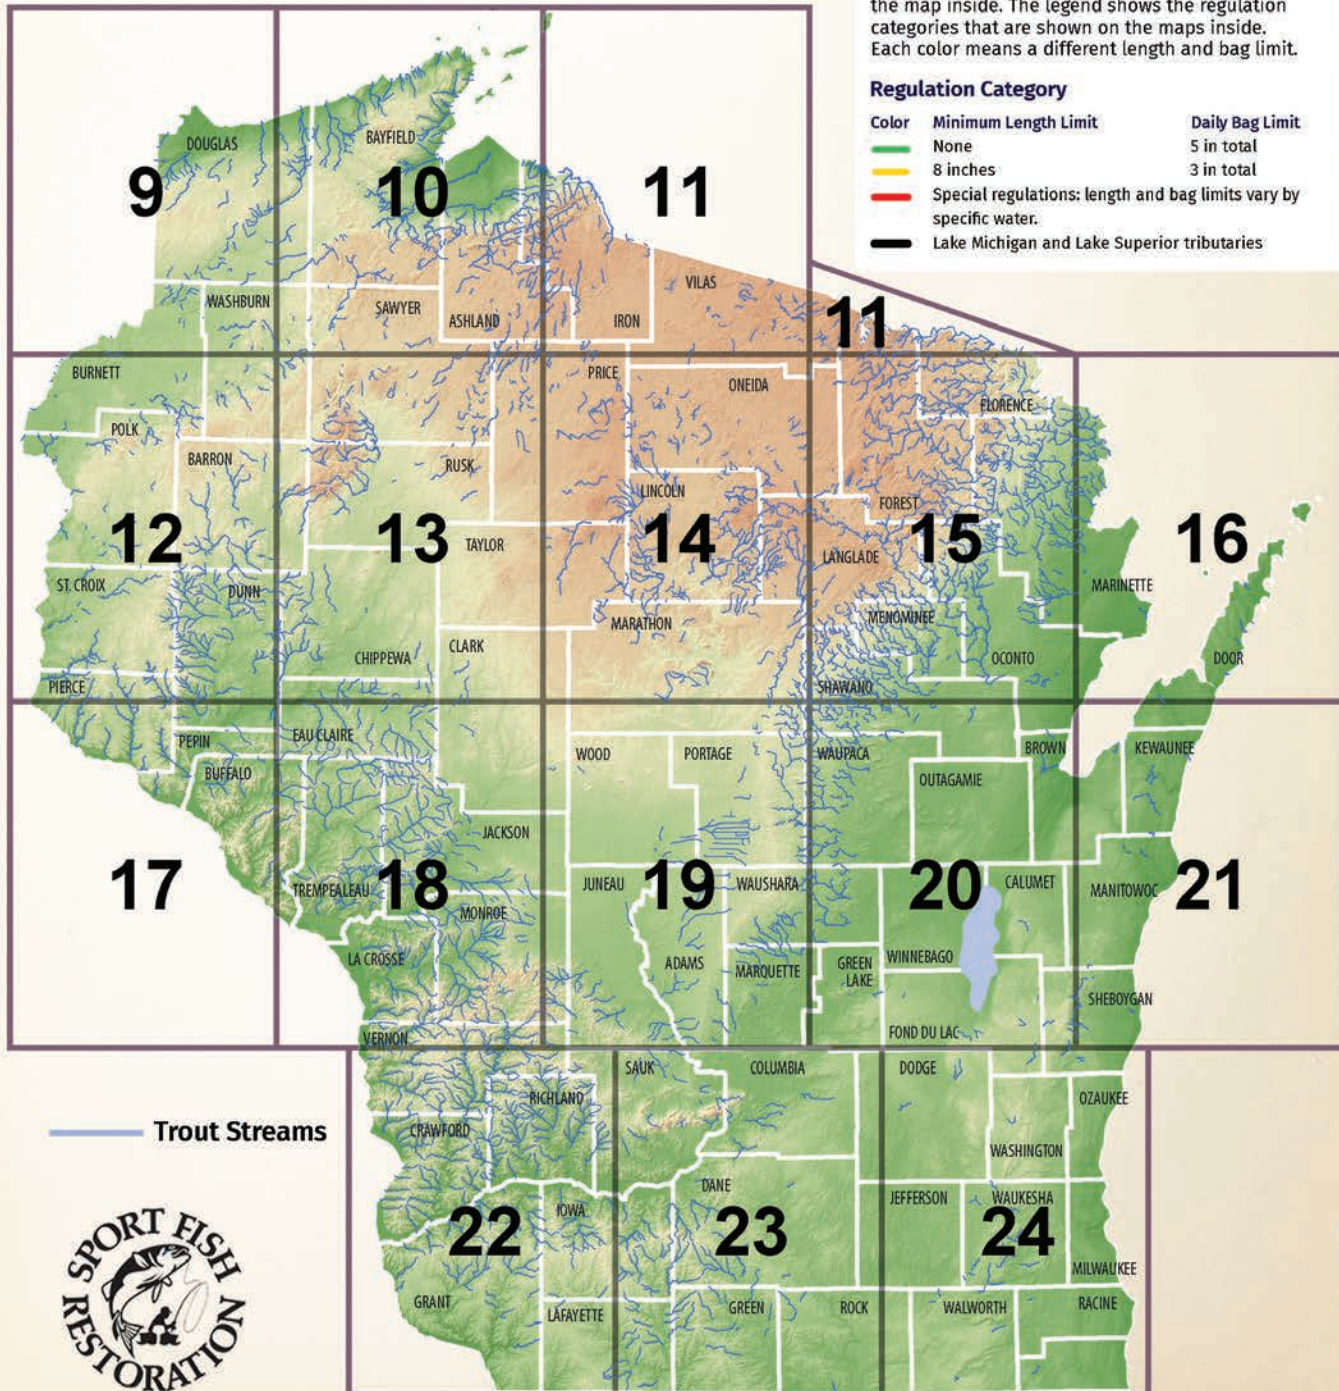

For more information, please view the Wisconsin Trout Streams publication and detailed trout stream maps found at dnr.wi.gov/topic/fishing/trout/streamclassification.html.
