

# NEW HUNTER & YOUTH OPPORTUNITIES

FOR 2020-2021

## Give It a Shot Program

Would you like a hands-on approach to firearms and shooting? The new and improved Give It a Shot Program is designed to help those who are new to shooting learn the basics.

## Hunter Education Program

This is a required program for anyone age 16 and up who plans to hunt (and is a requirement for many of our youth programs). Students learn how to be safe and responsible with firearms.

WRD offers one to three-day Hunt & Learn programs that educate participants about hunting and conservation, along with an opportunity to hunt a specific game animal. Participants will have the chance to learn tactics, game identification, and hunter safety from experts. Our courses are geared towards the new hunter that wants a safe and educational learning environment. Both youth and adult programs are available to accommodate a wide range of ages and experience levels.

## Georgia Becoming an Outdoors Woman Program

Becoming an Outdoors-Woman (BOW) is a national education program offering hands-on workshops for women ages 18 and older. These events provide women an opportunity to develop skills in hunting, fishing, boating and other outdoor recreational activities. They also provide valuable insight into the management and conservation of the natural, historical, and cultural resources of Georgia.

## Scholastic Clay Target Program

The Georgia Independent Schools Association and the Georgia Association of Private and Parochial Schools offer SCTP as a varsity team sport. Students who have completed hunter education have the opportunity to shoot trap, skeet and sporting clays with the help and support of trained coaches focused on firearm safety.
